Summary

Frontend developer with 2+ years of experience building interactive, accessible, and high-performance web interfaces. Skilled in JavaScript, React, HTML5/CSS3, and UI design principles. Strong team collaborator with a passion for responsive web development and delivering exceptional user experiences across platforms.

Experience

Frontend Developer – EzWeb
Nov 2023 – Nov 2024

- Developed scalable frontend components in HTML5, SCSS, JavaScript, and jQuery within CMS-based client websites.
- Collaborated closely with backend and support teams to ensure stable API integrations and cross-browser compatibility.
- Contributed to system documentation, accessibility enhancements, and page optimization for SEO.

Junior UI Developer – Beman Branding Agency
Nov 2022 – Nov 2023

- Created responsive web templates and interactive elements for branding and e-commerce projects.
- Participated in sprint planning, stakeholder reviews, and iterative improvements.
- Used Figma handoffs and implemented design systems with consistency.
